JESUS OF NAZARETH

He ate and drank with sinners.
 He called out the religious hypocrites.
 He drove merchants from the temple.
 He spoke up for the poor and oppressed.

Who was this social revolutionary, who preached truth, love and compassion in a culture filled with bigotry and intolerance?

He healed the sick and raised the dead. His name was recognized and feared by demons. His metaphoric wit, perception of the heart and wisdom amazed thousands. Yet, he was despised by men.

Crucified on a Roman cross, he died and was buried in a cave, yet rose from the dead. He conquered sin and brings new life to man.

This man is Jesus Christ.
